

Planeta's grape harvest at La Foresteria

Thursday

2.00 pm	Arrival of participants and check-in
Afternoon	At leisure or visit of Selinunte, a very important ancient Greek colony where you can see the ruins of very interesting Greek temples
8.00 pm	Aperitif
8.30 pm	Welcome dinner with wine route " <i>The Chef's choice</i> ", 3 perfectly chosen glasses to match the food route

Friday

Morning	After breakfast, visit to our Ulmo winery in Sambuca di Sicilia with wine tasting and light lunch. You will taste 4 wines, accompanied by bread sticks, Planeta extra-virgin olive oil and by a selection of local products, fresh and preserved. During the visit you can also take part to the grape harvest and see the process of obtaining the Planeta's wine
Afternoon	Free time for relax and wellness: Turkish bath, swimming or bathing in the sea near the beach of Porto Palo, for the 13th consecutive year awarded with the Blue Flag, bike ride on the bike path that connects Menfi with Porto Palo (5 km) undertaken from the old disused railway line.
Evening	Dinner with wine route " <i>From the heart to the vineyard</i> ", 3 chosen glasses to match the food route plus 2 extra glasses to explain different varieties and territories

Saturday

Morning	After breakfast, visit of the archaeological park "Valle dei Templi" in Agrigento; on the way back to la Foresteria, stop in Sciacca, charming fisherman village, famous for its ceramics and baths, and if there is the chance, you can watch fishermen arriving at the port with their boats full of recently caught fishes and buy from them
Afternoon	Cooking lesson – "<i>Tre piatti con lo chef, the grape harvest leading in Planeta's home recipes</i>" 2 hours of demonstrative lesson during which will be assisted on the realization of three recipes, from the choice of ingredients to "mise en place". The participant will be offered on tasting a glass of Planeta wine to combine with one of the recipes and will be given a brochure with their description
Evening	Farewell dinner with wine route " <i>Past and present</i> ", 3 glasses to match the food route, 2 glasses to explain different varieties and territories and 2 old vintages
